

## **RHM Missionary Sergei Bagry**

Sergei takes care of all evangelism vans at our base in Chernigov, Ukraine. He also sets up and runs the sound system for one evangelism team. While traveling he is also often ministering with the praise and worship team. A jack of all trades as he can repair sound equipment and run it. He sings and plays the guitar. He runs the sound board and he loads and tears down for multiple crusades each week.

Sergei is involved in a great deal at our headquarters but he also travels to other states in Ukraine. He will also travel with Peter Mehl into Moldova to be involved in evangelism there.

Sergei has been with the ministry ten years and continues to be an asset to RHM and a good place to invest your missions dollars. Without people like Sergei much of what we accomplish would not be done.

Thank you so much for partnering with us. You are helping us reach thousands for Jesus.

The Lord bless you richly.

Peter L. Mehl
