### **Alexander & Irina Trofimenko — Individual Profiles & Testimonies**

In 2001 I (Alexander) was accepted in the Russian Harvest Ministries Missionary Training Center as well as my future wife Irina. After practical training we were sent out to serve on church planting teams but in 2004 we were married and were asked to return to Chernigov to serve in the RHM International Office.

**Present Ministry:** Irina is head of accounting and the financial office for RHM and the local base church in Chernigov. She is also involved in helping me with many of the events that take place in the office complex. She also directs the RHM Correspondence Bible School that has thousands of students. I serve as Dean of the Missionary Training Center and lead a home church in a nearby village. I also teach in the RHM Leadership Institute and oversee the monthly publication of the RHM Christian newspaper that has a circulation of 30,000. Recently I also accepted the responsibility to raise up a team to produce a weekly television program that will go out on the largest Russian language Christian satellite network in the world to potentially millions of homes.

**Special Request:** We have committed our lives to serve Jesus 100% and plan to do so until He returns. Please pray about supporting us as we diligently serve the Lord in Ukraine.
